

JETS ATHLETICS

2017/2018 Sports Programs

JETS ATHLETICS has been offering weekly sports programs and camps to children in Strathmore for almost 25 years. JETS Head Coach and Strathmore High School teacher, Pat Fule, has been coaching children of all ages and abilities for 38 years. Coach Fule's programs are designed to keep children active and develop their athletic abilities, while at the same time build self-esteem in a fun and friendly atmosphere. Sportsmanship, fitness, and skill development are all emphasized and with all of his coaching experiences, Coach Fule has the ability to easily adapt his lessons to meet the individual needs of his participants. Coach Fule believes in positive reinforcement during the teaching process and invites all children of all abilities to come and participate! This year, we have lowered our prices and modified our program dates so that all of our programs are completed by the end of April, avoiding conflicts with outdoor spring activities. We are also offering various payment options allowing more flexibility to our families.

We offer three programs, run in succession, during the school year. We encourage participants to register in all three!
